Purpose

The GSA's CFO Council is comprised of **industry leading semiconductor CFOs** with the purpose of addressing current topical issues and supporting GSA's focus on **accelerating the growth and increasing the return on invested capital of the global semiconductor industry.**

Vision

To be at the forefront of the semiconductor industry, **providing financial executives with leading-edge strategies and ideas and a resource for pertinent industry knowledge**, to ultimately impact the direction of the industry and utilize GSA's economic power as a group.

Mission

The CFO Council provides a forum to help semiconductor leaders **collaborate and discuss best practices for company structuring, cross-border establishments, M&A best practices, managing industry consolidations, business models for cost cutting and operational efficiency.**
